Corporate Overview

Sarments Support Solutions LLC is a self-certified small business offering non-technical Governance, Risk & Compliance (GRC), administrative management, and strategic advisory services to federal, state, and commercial clients.

- Supports internal controls, risk assessments, and regulatory compliance through GRCP-aligned frameworks.
- Provides OMB A-123, FISMA, SOX, HIPAA, and ISO 31000-aligned consulting using cloud-based collaboration tools.
- Delivers policy analysis, operational reviews, and audit readiness solutions to reduce agency risk and improve outcomes.
- Offers small-business teaming agility, with scalable support for management consulting and program compliance efforts.
- Applies project management tools such as Trello, Asana, and SharePoint to ensure transparency, real-time tracking, and effective deliverable management.

Past Performance

- Deliver Lean-based process optimization for 12 municipal departments, reducing cycle times by 20% and enhancing audit accuracy.
- Provide internal controls and SOX-aligned compliance training to nonprofit partners improving grant oversight and reporting.
- Support local teams with readiness assessments and policy alignment under OMB A-123, improving compliance metrics within 90 days.

Differentiators

- GRCP-aligned consulting and audit readiness support help reduce compliance risks for federal agencies.
- Agile PMO approach ensures scalable support and stakeholder engagement aligned with ISO 31000.
- Technical fluency with collaboration platforms like SharePoint and Asana streamlines program execution.
- Strategic insight into federal reporting, policy analysis, and change management frameworks.
