Corporate Overview

Sarments Support Solutions LLC is a self-certified small business delivering rapid-response emergency and disaster relief services aligned with FEMA standards to federal, state, and commercial clients. We specialize in mobile logistics, base-camp operations, and essential service mobilization.

- Deploys FEMA-compliant logistics, supply chain coordination, and emergency response teams within 48 hours.
- Sets up mobile base camps, temporary shelters, sanitation units, and mobile power systems.
- Provides logistics tracking and support using real-time digital platforms for inventory, resource, and personnel management.
- Maintains environmental health and safety through green-certified sanitation, air quality, and biohazard protocols.

Past Performance

- Mobilize emergency logistics within 48 hrs post-Hurricane Ida, delivering essential supplies and support to over 2,500 individuals.
- Deploy sanitation and shelter solutions in temporary housing centers during extreme weather incidents.
- Coordinate with municipal teams to streamline emergency operations and reduce deployment delays by 30%.

Differentiators

- FEMA-aligned protocols and in-house simulations ensure consistent and compliant emergency deployment.
- Green-certified operations and sanitation exceed EPA and CDC health standards.
- Scalable, mobile solutions tailored for disaster recovery, humanitarian support, and community stabilization.
- Real-time coordination and inventory tracking through Asana, Smartsheet, and mobile response apps.
